Honorable John D. Rockefeller, IV
Governor, State of West Virginia

Dear Governor:

The Annual Report of the Insurance Department of the State of West Virginia for the calendar year 1980 is hereby submitted as required by Chapter 33, Article 2, Section 15, of the Code of West Virginia, of 1931, as amended.

This report reflects the financial condition and the importance of the insurance industry in our State. I would also like to point out that the premium income was $1,229,397,019. Revenue increased from $29,274,624 to $37,736,425 for an increase of 29%. These increases are due to two factors: (1) The passage of Senate Bill 450 by the Sixty-Fifth Legislature which requires taxes to be paid quarterly rather than annually. (2) Double digit inflationary impact within our economy.

The statistics in this report are compiled from the December 31, 1980 Annual Statements filed with this Department by insurance companies licensed in the state.

Respectfully submitted,

Richard G. Shaw
Insurance Commissioner

WEST VIRGINIA LIFE & HEALTH GUARANTY ASSOCIATION ANNUAL MEETING- 1980

The annual meeting of the West Virginia Life and Health Insurance Guaranty Association was held in the offices of Appalachian Life Insurance Company, Huntington, West Virginia, on Wednesday, May 6, 1981.

Board members present were: Dan Seitz, Chairman
Lincoln National Life Insurance Company
Fort Wayne, Indiana

Jack Miller, Treasurer
Appalachian Life Insurance Company
Huntington, West Virginia

Lynn E. McCall, Secretary
Nationwide Insurance Company
Columbus, Ohio

Bob Price, Member of the Board
Peoples Life Insurance Company
Washington, D. C.

Mr. James C. Surratt, Chief Examiner, West Virginia Insurance Commissioner's Office was also in attendance.

Chairman Seitz called the meeting to order at 1:15 p.m. He also noted it would also be a joint meeting of the members and the directors.

The minutes of the last Board meeting were accepted as previously distributed.

Jack Miller presented the Treasurer's Report. This included a Statement of Assets, Liabilities, and Fund Balance, State of Receipts and Disbursements, and Statement of Assets and Fund Balance. Mr. Miller noted he had received two checks totaling $10,734.53 from Commissioner Shaw as ancillary receiver of Old Security. West Virginia had the highest activity of claims of all States.

Mr. Miller distributed a listing of life and accident and health claims paid as of April 27, 1981. He also reported there were approximately 115 claims where efforts to locate claimants had been fruitless even after a second or third attempt. It was the consensus of the Board there should be no further activity on these claims.

Mr. Miller reported the one suit against Hatfield-McCoy Ford is still being resisted although there has been no activity. He has filed a claim for recovery with the receiver; however, there has been no response.

Mr. Miller reviewed the situation concerning unearned commissions held by state banks and unearned premiums refunded to customers by the banks. He reviewed a letter he had sent to the attorney for the receiver on this subject.

All Class C assessments due the Association have been collected.

WEST VIRGINIA POST ASSESSMENT INSURANCE GUARANTY ASSOCIATION - 1980

OFFICERS OF THE ASSOCIATION:
for 1981

Lynn McCall, Chairman
Nationwide Insurance Company
Columbus, Ohio

Jeff Baxter, Vice Chairman
The Travelers Insurance Companies
Pittsburgh, Pennsylvania

L. Frank Norton, Secretary-Treasurer
Inland Mutual Insurance Company
Huntington, West Virginia

Ann M. Scott, Asst. Sec Treasurer
West Virginia Insurance Federation
Charleston, West Virginia

Chairman Welsh (1980 Chairman) opened the meeting by introducing the Insurance Commissioner, Richard G. Shaw, Sandra Saran, Insurance Department's Legal Counsel, James C. Surratt, Insurance Department's Chief Examiner.

Commissioner Shaw made opening remarks concerning actions the Insurance Department is favoring to combat possible insolvencies. The Commissioner wishes to appoint a task force to closely inspect the financial reports of farm mutuals in the State in order to detect such problems.

Chairman Welsh moved that we dispense with the routine order of business and begin discussions of the insolvency of Church Layman Mutual Insurance Company.

James Surratt of the Insurance Commissioner's Office made a brief overview of the current status of Church Layman. The Company was producing $750,000. prior to trouble. In February, 1980, problems began to surface with the resignation of the Manager. The primary reason seemed to be the Company was not generating enough premiums to cover the losses. Mr. Bumgardner of the Insurance Department was assigned to review the problem. A review of the financial statements was conducted in April. Within a few months the deficit had grown from $100,000. to $225,000.

A 32% assessment of the policyholders resulted in $180,000. received. Current cash flow problems were momentarily solved, but the loss ratio continued to increase. In September, 1980, the Insurance Department declared the company was impaired. And, in February, 1981, declared an order of liquidation. Several companies were contacted to assume the responsibility of Church Layman, but none elected to do so. Approximately, 2,300 policyholders are now involved.

According to Norman Rood, Liquidator, all policies will be canceled as of Friday, March 6, 1981. A letter of notification is also being mailed to all 140 agents. Mr. Rood estimates the reserve for loss to be over $300,000.

A question was generated concerning possibly offsetting the loss by the $100 an unearned premium. Another questioned the availability of monies from the reinsurer. Definite amounts were unavailable.

Mr. Howard Meek(attorney) reported that five or six cases were now in suit.

The Board opened discussion concerning the proposed assessment for administrative purposes. Mr. Norton made a motion for approval of the administrative assessment for $10. It was seconded and carried.

A general discussion ensued concerning completion of IRS tax return, reimbursement for travel other than meetings (e.g. workshops) and the blanket bond limitations being dropped from $300,000 to $100,000.

ACTIVITIES OF THE LEGAL DIVISION DURING 1980

The Insurance Department scheduled thirty formal hearings during the year 1980, including four hearings held for the purpose of promulgating Administrative Regulations. In addition to the Commissioner's General Counsel, legal representation was furnished the Department by the Office of the Attorney General, and the position of Hearings Examiner for the Department was held by an attorney in private practice.

Of the thirty scheduled hearings, six concerned insurance company rates and forms, six dealt with automobile policy cancellations or nonrenewals, four were for the purpose of disciplining companies for Code violations, four were public hearings held to promulgate Regulations, one was scheduled for the purpose of determining whether corporate names were so similar as to be misleading to the public, three were held to discipline agents, one to withdraw security bonds, and one to issue a declaratory ruling.

Of the public hearings held to promulgate Regulations, one concerned the promulgation of Uniform Health Care Claim Forms, which must be accepted by insurers when submitted by a health care provider, thereby eliminating the need for expensive and time-consuming claim filing by such providers. The Regulation was passed and became effective January 1, 1981.

Another public hearing concerned proposed Premium Reductions for Insured Drivers who successfully complete the National Safety Council's Defensive Driving Course. The proposed Regulation was held to be beyond the scope of the authority of the Insurance Commissioner, and consequently no such Regulation was promulgated.

Amendments to the Unfair Claim Settlement Practices Regulation were the subject of another public hearing, held for the purpose of pinpointing areas where the existing Regulation failed to adequately handle problems in the area.

A fourth public hearing was held concerning Medicare Supplement Insurance Coverage. Federal preemption of the regulation of this area of insurance will occur if States have not enacted certain laws and Regulations in this area by July 1, 1982.

Administrative Hearing 80-1 concerned a complaint by Arthur R. Shelton contending that Allstate Insurance Company cancelled his automobile insurance without proper grounds. Allstate agreed to reinstate coverage for Mr. Shelton.

Hearing 80-2 Uniform Health Care Claim Forms (summarized above).

Hearing 80-3 concerned the sale by Westfield Insurance Company of twenty policies in violation of the laws. The matter is still pending.

Hearing 80-4 involved the sale by Erie Insurance Exchange of twenty-three policies in violation of statute. Erie forfeited $2300 in fines and agreed to cease and desist from issuing any such policies in future.

Hearing 80-5 concerned a complaint by John McGuffey against State Farm Mutual Automobile Insurance Company which alleged unfair claim settlement practices by State Farm. The company was cleared of the allegations and the complaint dismissed.

Hearing 80-6 was held to consider the merits of rate increases for State Farm Mutual Automobile Insurance Company which were disapproved by the Insurance Commissioner. The filings were amended from 22.6% to 12.2% and from 24.5% to 13.7%, and approved as amended.

Hearing 80-7 concerned a disapproval by the Commissioner of a rate filing increase of 15.4% by Nationwide Mutual Fire Insurance Company. An agreement was reached whereby Nationwide amended the proposed increase to 11.5% and the Commissioner then approved the filing.

Hearing 80-8 concerned a complaint against South Carolina Insurance Company by Michael Weigner. The company reinstated Mr. Weigner's automobile insurance policy and the matter was dismissed.

Hearing 80-9 was held concerning a complaint by Jack F. Hastings against Penn Mutual Fire Insurance Company for unfair claim settlement practices. The Hearings Examiner found in favor of the complainant and the company was ordered to pay the fair amount for loss.

Hearing 80-10 involved a consumer complaint by John Breedlove against Erie Insurance Exchange. The Hearings Examiner found for Breedlove and ordered Erie to settle the claim. The order was appealed by Erie to Kanawha County Circuit Court but settled prior to hearing in that form.

Hearing 80-11 concerned disciplinary action against an agent, Paul Shepherd. The matter was resolved prior to Hearing and Shepherd voluntarily submitted his license to the Commissioner.

Hearing 80-12 concerned a complaint filed by Ernesta Tyree against the Merchants Property Insurance Company of Indiana for failure to settle a fire loss in compliance with the Valued Policy Law. The Hearings Examiner ordered Merchants to pay the entire amount of the loss without depreciation deductions.

Hearing 80-13 involved rate filings by Allstate Insurance Company for an increase of 14% in private passenger automobile rates. The proposal was amended to 11.75% and the matter was dismissed.

Hearing 80-14 involved the withdrawal from the State of Security Deposit Bonds by Inter-County Hospitalization Plans, Inc. After publication State wide and the Hearing, the Commissioner authorized the withdrawal of such bonds.

Hearing 80-15 was held concerning a complaint by Alan Lowdermilk against State Farm Mutual Automobile Insurance Company for unfair claim settlement practices. The Hearings Examiner found no violations by the company.

Hearing 80-16 concerned a complaint by Robert Fluharty, Jr. against Erie Insurance Exchange for unfair claim settlement violations. The matter was continued generally pending settlement.

Hearing 80-17 concerned a complaint by Frederick Rohrig against Insurance Company of North America for unfair claim settlement violations. A hearing was held, however the Order was stayed, it appearing that settlement would be reached by the parties.

Hearing 80-18 Medicare Supplement Insurance Regulation.

Hearing 80-19 Premium Reduction for Drivers who Successfully Complete the National Safety Council's Defensive Driving Course.

Hearing 80-20 Unfair Claim Settlement Practices Regulation.

Hearing 80-21 concerned a petition by Earl Dillard for a Declaratory Ruling in the matter of responsibility for payment of excess lines premium tax.

Hearing 80-22 concerned a complaint by Louis Fallova against Stonewall Casualty Company for unfair claim settlement violations. The matter was continued pending settlement by the parties.

Hearing 80-23 concerned rate filings submitted by Insurance Services Office. A settlement was reached in the matter prior to hearing.

Hearing 80-24 concerned rate filings by State Farm Fire and Casualty Insurance Company and State Farm General Insurance Company. The matter was continued generally.

Hearing 80-25 concerned disciplinary action against Gary Plumley for alleged misuse of funds. A fine in the amount of $100 and a conditional license suspension of sixty days was imposed.

Hearing 80-26 was called concerning the failure by Northland Insurance Company to pay 5% excise tax reimbursement on total losses in automobile claim settlements. Northland agreed to pay policyholders and forfeited $300 in fines for the acts.

Hearing 80-27 was held concerning nonresident broker, William Milne of Colorado. Milne's license was ordered revoked.

Hearing 80-28 concerned the similarity of names of two companies, American Re-Insurance Company and American Independent Reinsurance Company. The matter was dismissed at the request of the complainant.

Hearing 80-29 was called concerning the failure by Aetna Casualty and Surety Company to pay the 5% excise tax imposed by law on automobile total loss claims. The company agreed to settle all such claims and cease and desist from withholding such payment in the future.

Hearing 80-30 concerned a complaint by James T. Yoakum against Security Mutual Casualty Company for unlawful nonrenewal of automobile coverage. The Hearings Examiner ordered the company to reinstate Yoakum, as proper notice was not given as required by law.

During the 1980 Session, the West Virginia Legislature enacted six bills which directly affect the transaction of insurance in the State of West Virginia, including:

H.B. 1391 Automobile Insurance Policy Renewal - Amends the existing statute to specifically include physical damage coverage under an outstanding automobile insurance policy, and also amends the existing statute to require reinstatement of any two year old automobile insurance policy if such policy was nonrenewed solely for nonpayment of premium and if the insured tenders payment of premium within a period of ninety days from the effective date of nonrenewal and if no other reasons exist for nonrenewal of the policy. Effective Date: June 6, 1980.

S.B. 450 Prepayment of Taxes by Insurers - Provides that insurers who were liable for more than five thousand dollars in

premium taxes in the preceding year shall pay actual taxes on a quarterly basis beginning July 1, 1980. Forms and instructions will be supplied by the Insurance Commissioner's office. Effective Date: July 1, 1980.

H.B. 980 Home Health Care Coverage by Insurers - Requires individual and group basic hospital expense and major medical expense insurers to offer home health care coverage as defined in the act, and provides minimum requirements for and optional limits on services provided under such coverage. Effective Date: March 7, 1980.

S.B. 198 Board of Directors of Medical Service Corporations - Requires that the board of directors of a medical service corporation be composed of members not more than twenty percent of whom, or whose spouse, parent, child, brother or sister, by blood or marriage, are engaged in the providing of health care, and at least eighty percent of whom shall be chosen as representatives of the interests of consumers, elderly persons, organized labor and business subscribers. The board formerly was required to be composed of a majority of persons who were duly licensed physicians. Effective Date: June 6, 1980.

S.B. 521 Exemption for Prohibited Interest of Insurance Company Officer - Allows an officer of an insurer to accept, in connection with the relocation of the place of employment of such officer, a mortgage loan made by the insurer on real property owned by such officer which is to serve as such officer's residence, and also allows, under the same circumstances, an officer to sell to the insurer, at not more than fair market value thereof, the residence of such officer. Effective Date: March 8, 1980.

S.B. 454 Insurance Commissioner's Examination Revolving Fund - Establishes an examination revolving fund into which insurers pay the costs of examinations and out of which the Commissioner defrays his expenses of examining insurers. CONSUMER SERVICES

The Consumer Services Division is comprised of Consumer Complaints and Agents Licensing. The Division employs five technical personnel and three clerks.

Consumer Complaints Section is responsible for the review of the facts surrounding each complaint received against an insurance company or an agent. It is the Division's objective to make certain the complainants are advised of and understand the handling of their claims and other insurance problems. The aim of the Division is to protect the citizens of West Virginia by attempting to ensure that all complaints are equitably resolved in a prompt and professional manner.

The Agents Licensing Section has the supervision and control over the processing of applications for insurance licenses, preparing and administering the examinations, and the issuance of all licenses to qualified agents. All agents licenses are renewed on a yearly basis.

The Division maintains a registry of all company appointments. These records are available to the insurance industry and the public.

The Division has testing facilities statewide for the examinations and the schedule is shown on the following page.

The examination may be re-taken, but there is a waiting period in some cases as follows:

After the second failure:	THIRTY DAYS
After the third failure:	NINETY DAYS

GENERAL ACTIVITIES

In addition to complaints and inquiries received in the Division by mail, numerous complaints and inquiries relating to all facets of insurance are posed by the public through telephone calls and personal visits to the office. In 1981, the Division received an average of 13 new complaint letters a day, an average of 52 phone calls each day, and 3 personal visits a day. These averages are based on actual work days. Since personnel of the Division encounter a variety of insurance situations in the course of a day's activity, a close working relationship is maintained with other Divisions of the Department. This ensures that they are aware of the problem situations that are of interest to them, and to utilize the technical support available from them that is needed to handle certain consumer matters, such as investigations, rate filings, legal questions, and agent questions.

WATS "HOT LINE"

Since the inception of the consumer "Hot Line", it has proven to be a valuable service to the citizens of West Virginia. In 1980, the Division received 40% of its telephone calls on the "Hot Line".

Even though many calls received involve matters that require follow-up correspondence or other action, the primary objective of the "Hot Line" is to handle as many matters as possible to a conclusion over the telephone. This enables us to provide a prompt service and elimination of follow-up action which is time consuming for both the West Virginia citizen and the Division.

FIELD REPRESENTATIVES

The Division has one field representative that, in addition to handling office duties, travels throughout the state investigating complaints. The Division conducted seventeen field investigations and included the areas of Bridgeport, Wheeling, Moundsville, Fairmont, Clarksburg, Parkersburg, Lost Creek, Keyser and Huntington.

MARKET CONDUCT EXAMINATIONS

Personnel from the Division participated in market conduct examinations reviewing certain aspects of the company's claims operation. This examination involves a review of part or all of a company's practices in sales, claims, rates and underwriting. These examinations included four (4) closed claim file surveys. These reviews consisted of what we felt to be a violation of the insurance code. The inconsistencies that we found were not paying the 5% excise tax (33-6-33) and violation of the valued policy law (33-17-9).

CONSUMER ASSISTANCE PROGRAM

Personnel from this Division engage in activities consisting of visiting pre-scheduled and pre-publicized locations throughout the state to make themselves available to meet with West Virginia citizens who have insurance problems. This program is designed to take the Department services to the people.

Through this program, the Division Service Representative conducted approximately forty-eight (48) senior citizen insurance seminars throughout the state in 1980 with a total 2,002 in attendance. The Division also held one-on-one consultations for 216 persons. Through these seminars we find that there is a confusion as to health insurance coverage and misconception as to the degree of assistance provided by medicare supplements.

The Division provides insurance brochures that inform and assist consumers regarding their purchase of insurance. We presently have four different brochures available. These include life, accident & sickness, homeowners and automobile. We released a new revised automobile guide in 1980.

ANNUAL REPORT

RATES AND FORMS DIVISION

In 1980, the Rates and Forms Division received and reviewed 10,460 rate and form filings.

Life, Accident and Sickness filings account for 49% of the 1980 volume; property-casualty filings make up the remaining 51%.

A total of 1,720 filings were disapproved in 1980, with 360 life, accident and sickness disapprovals and 1,360 property-casualty disapprovals. These filings were not in compliance with the West Virginia laws and regulations.

Major Filings:

(A) Personal Automobile Insurance Rates: Nearly all automobile insurers continued to file rate increases in 1980. While many increases were granted, the Insurance Commissioner often granted amounts which were less than requested because filers failed to adequately document their requirements.

Changes in components of the Consumer Price Index (CPI) demonstrate the changes in costs of items for which insurance pays; a comparison of the CPI for December 1980 with December 1979 shows the following increases:

Auto maintenance and Repair	+10.9%
Medical Costs	+10.0%

The following major personal auto rate approvals were granted:

J. C. Penney Casualty Company	+10.0%
Nationwide Mutual Insurance Company	+9.5%
Prudential Property & Casualty Insurance Company	+11.5%
State Auto Mutual Insurance Company	+14.2%
State Farm Insurance Companies	+13.7%

(B) Homeowners Insurance Rates: Continued deterioration in fire insurance experience prompted further rate increase requests in this area.

Based on information received from the State Fire Marshal's office, the fire loss situation in West Virginia during the fiscal year 1980-81 included losses attributable to arson amounting to $4,792,900.

Homeowners insurance rate increases were in part based on the increasing costs of housing and building materials, as evidenced by changes in the related CPI changes occurred between December 1979 and December 1980:

Housing Costs	+13.7%
Housing Maintenance & Repair Costs	+10.6%
Household Furnishings	+ 6.8%
Lumber and Wood	+ 6.8%

The following major homeowners rate approvals were granted:

Allstate Insurance Company	+ 6.5 %
Nationwide Mutual Fire Insurance Company	+11.5 %
Prudential Property & Casualty Insurance Company	+ 9.0 %
State Auto Mutual Insurance Company	+17.96%

(C) Health Insurance Rates: Continued quantum leaps in health care costs made corresponding increases in health insurance rates necessary.

Changes in health care components of the CPI are a useful yardstick; a comparison of December 1980 with December 1979 shows the following increases:

Physicians' Services	+11.0%
Medical Care Commodities	+10.0%
Hospital Room	+13.9%
Hospital Service Changes	+15.1%

Major rate increases are as follows:

Company	Total Premium Increase	Rate Increase
Blue Cross-Blue Shield of Southern, WV, Inc. (Charleston)		
Direct Pay & Group Conversion	$2,300,000	+ 33.8%
Blue Cross-Blue Shield of Central WV, Inc. (Parkersburg)

Auditing and Stamping

Every insurer writing fire insurance in the State is required by Section 33-17-10 of the West Virginia Code to maintain, or be a member or subscriber of, an auditing and stamping office, which reviews each fire policy for rate accuracy. Any errors uncorrected after sixty days must be submitted to the Insurance Commissioner. During 1980, a total of 18 were reported by the Insurance Services Office, the only auditing and stamping office which reported any uncorrected errors. This compares with 33 for 1979 and 56 for 1978.

The following is a summary of uncorrected error violations, by company, in 1980:

Company	Number
Buckeye Union Insurance Company	3
Federal Insurance Company	3
United States Fidelity & Guaranty Insurance Company	3
Aetna Casualty & Surety Company	1
Employers Fire Insurance Company	1
Harleysville Mutual Insurance Company	1
Hartford Fire Insurance Company	1
Insurance Company of North America	1
Lumbermen's Mutual Insurance Company	1

Total	18

All errors were corrected after the Division corresponded with the companies.

Rating Organizations

Section 33-20-4 (e) of the West Virginia Code provides, that "An insurer may satisfy its obligation to make filings by becoming a member of, or a subscriber to, a licensed rating organization which makes such filings..."

During 1980, three requests were filed for renewal of a rating organization license; these were reviewed and approved, pursuant to Section 33-20-6 of the West Virginia Code.

EXCESS LINES

(A) Section 33-12-10 of the West Virginia Code permits a licensed excess line broker to procure insurance from an unlicensed insurance company when it cannot, after diligent effort, be procured from any licensed company.

Following is a comparison of 1979 and 1980 excess lines statistics:

	Calendar 1979	Calendar 1980	Percent Change
Written Premiums	$8,379,891.93	7,660,894.41	-8.6%
Number of Active Brokers	41	43	+4.9%
Total Number of Brokers	45	54	+20.0%
Tax Liability @2%	156,548.61	133,801.13	-14.5%
Number of Policy Affidavits	2516	3107	+23.5%

In 1980, this Department confirmed that $7,660,894.41 of written premiums were placed through an excess line market in West Virginia by 43 of the 54 licensed excess line brokers. The total excess line tax liability for 1980 was $133,801.13. We received 3107 excess line policy affidavits in 1980 as compared to 2516 received in 1979.

The above figures represent the following percentage changes in 1980 compared with the 1979 totals: written premiums decreased -8.6%; number of active brokers increased +4.9%; total number of brokers increased +20.0%; tax liability decreased -14.5%; and the number of policy affidavits increased +23.5%.

The West Virginia excess line market increased in the number of active brokers, total number of brokers, and the number of policy affidavits.

A review of the 1980 Annual Statements showed $7,660,894.41 written premiums and $970,838.10 return premiums.
